

Program Advertisements

Purchasing an advertisement is a perfect way to get your business exposure to our audience. Our audience is very family driven with 68% of our audience is women between the ages of 25-44 who are looking for fun things to do locally as a family and for the kids. The program will be distributed at the event AND will also be available online via our website for added exposure. It is the perfect time to include a coupon, an ad for upcoming school or summer camp enrollment, highlight an upcoming event and more!
